For our customers best dining experience we offer full table service for food & drinks.

We do not take drink orders at the bar as all orders need to be assigned to your seat, so our friendly wait staff will take the orders at your table.

We do offer separate billing, however as your food & drinks are assigned to your seat we would ask to not move seats after you have placed your first order, this will also help with a faster payment process for you at the end of the night.

We also have seperate VEGAN, DAIRY FREE & COELIAC menus
